Re: **Petition 784 MR** - Petition of Plainfield Renewable Energy LLC for a Declaratory Ruling that No Certificate of Environmental Compatibility and Public Need is Required for the Construction, Maintenance, and Operation of a 37.5 MW Wood Biomass Staged Gasification Generating Project in Plainfield, Connecticut

Dear Chairman Caruso:

Enclosed please find twelve (12) copies of a return receipt from an additional property owner and four unclaimed letters from property owners abutting the power plant, the water diversion facility, and the pipeline connecting the two sites. Also enclosed are (12) copies of a letter returned for an insufficient address sent to Canterbury Cemetery Association. The address used in mailing this letter to Canterbury Cemetery Association was obtained on www.visionappraisal.com, as per the agreement at the July 28, 2008 pre-hearing conference. Additional research was done to locate the correct address but we were unsuccessful.

This filing supplements Plainfield Renewable Energy's August 12, 2008 filing.

If you have any questions concerning this Plainfield Renewable Energy filing, please call me.

Very truly yours,

A handwritten signature in black ink, appearing to read "Bruce L. McDermott".

Bruce L. McDermott
